

*The Dirt is intended to provide a monthly summary of recent activities and inform you of upcoming events and important information. We have other mailing lists that target specific land uses or topics and communications are sent throughout the year. If you are interested in receiving additional information from ACCD, please contact us at [info@asotincd.org](mailto:info@asotincd.org) or 509-552-8117.*

**ACCD IS MOVING!**

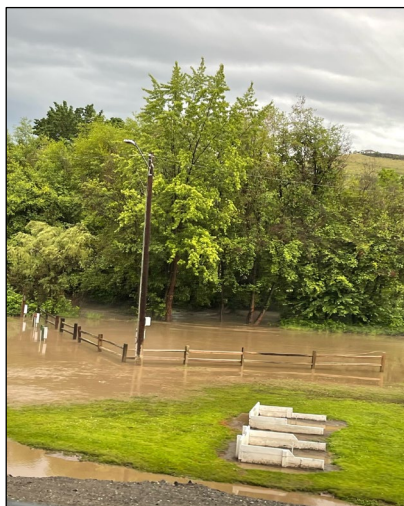

The time has finally come to officially move into our new home. *Our office will be closed June 21<sup>st</sup> and 22<sup>nd</sup> to allow us to transition to the new location and finalize set up.* If you need to reach us during that time, please email ([info@asotincd.org](mailto:info@asotincd.org)) or call the office (509-552-8117) and we will return your message as promptly as possible. The new address is *1397 Port Drive, Clarkston.* We look forward to showing our new space to you very soon!

**SURPLUS SALE!**

With our office move also comes cleaning out excess office supplies, furniture, and small equipment. A surplus sale will be held at our old office, 720 6<sup>th</sup> Street, Suite B, Clarkston. The sale days will be from June 27 to 29<sup>th</sup> during regular business hours (8:00 am to 4:30 pm) or by appointment.

**SPRING STORM DAMAGES**

Spring in Asotin County has been quite wet! Staff has been out assessing as much storm damage as possible. If you have damage from the recent storm events or just some photos you'd like to share, please reach out to us.

Asotin City Park, 6/5/22 PC: J. Zipse

Critchfield Road, 6/5/22 PC: J. Zipse

### **BOARD OF SUPERVISORS CERTIFIED**

On behalf of the WA State Conservation Commission, the election for Levi Luhn, Chairman, was certified and announced at the WSCC meeting in May. This means that Levi will continue to be on the Board of Supervisors for ACCD for the next three-year term!

### **2022-2023 FISCAL YEAR**

July 1<sup>st</sup> marks the beginning of our new fiscal year, meaning we will have a new round of funding from available for projects that enhance and protect natural resources. Stop by the office to talk to us about planning your new project.

### **WSU WHEAT VARIETY TOUR**

The 2022 crop tour season will soon be starting and provides opportunities to view field trials and interact with Washington State University personnel. This year's field trial tour is on **June 22<sup>nd</sup> at 3:30pm in Anatone off Dwight Halsey Road**. For more details visit the link below.

### **FUN FACT!**

The Snake River has over 20 major tributaries, most of which are in the mountainous regions of the basin. By discharge, the largest is the Clearwater River; the second largest is the Salmon River.
