

The Dirt is intended to provide a monthly summary of recent activities and inform you of upcoming events and important information. We have other mailing lists that target specific land uses or topics and communications are sent throughout the year. If you are interested in receiving additional information from ACCD, please contact us at info@asotincd.org or 509-552-8117.

CONTRACTOR OPEN HOUSE

The District will be holding an open house and inviting existing and new contractors to come learn about all the programs and best management practices (BMPs) the District has to offer. We want to help encourage opportunities between contractors and Asotin County landowners who need assistance implementing projects. Tuesday, November 15th at 9am at ACCD.

FY23 RIPARIAN/VSP SIGN UP

The Washington State Conservation Commission (WSCC) received a significant amount of funding in the FY23 supplemental budget. The funds are available to Conservation Districts in Washington state to implement best management practices that address specific resource concerns. Time is running out quickly to utilize this pot of funding!

Funding Details

The Asotin County Conservation District will be accepting applications for projects that fit the Salmon Recovery Funding and Voluntary Stewardship Program funding. All projects must be completed by June 30, 2023 and will require cultural resources surveys for projects that include ground disturbing activities.

Project Applications

Landowners and Cooperators are encouraged to contact the District by email info@asotincd.org or phone 509-552-8117. Technical staff will develop project plans for review by the ACCD Board of Supervisors. Any projects seeking VSP funds must also be approved by the Asotin County VSP Workgroup. Visit our website for more information <https://asotincd.org/>

The ACCD Board of Supervisors will be reviewing projects in November to allow adequate time to complete the environmental compliance requirements and implement projects prior to the June 30, 2023, funding deadline.

Funds are available on a first come first serve basis in addition to a committee review by WSCC to confirm funding criteria is met.

PESTICIDE CREDIT COURSE

Breaking news! The District will be holding a pesticide credit course in late November! Stay tuned for more information coming soon.

UPCOMING DATES

- **ACCD Monthly Board Meeting: November 10th at 6pm** – In person and virtual options available. *The meeting link is available upon request.*
- **Office Closed** – November 11th for Veterans Day

FUN FACT!

Black Angus bulls and black Angus cows can have a lifespan up to 15 years. The age of a cow can be determined by looking at its teeth.
