

CALLING ALL STREAMSIDE LANDOWNERS:

Do you live next to a stream, wetland or other surface water?

ACCD is seeking YOUR input on the current state of our streams to guide future restoration projects in Asotin County.

Join us for a community meeting to learn the rules and responsibilities of living near streams, and how to protect yourself and your operation:

Community Meeting:
March 24, 2026 at 6:00pm

Location: The Asotin County Conservation District
1397 Port Drive, Clarkston, WA 99403
Phone: (509) 552-8117
Email: info@asotincd.org - Website: www.asotincd.org

NO ONE KNOWS YOUR STREAM LIKE YOU DO.

ACCD staff is working directly with streamside landowners to complete on-site evaluations of our watersheds. The goal is to provide an accurate understanding of our current watershed conditions, pinpoint priority project areas, develop customized conservation plans, and inspire community-driven restoration projects. **You know your stream... help us set the course for the future.**

LIFT YOUR COMMUNITY, SET THE COURSE, JOIN THE CONVERSATION.
